

Specaily designed for the little ones...

Latex Free **BabiCUFF**

Disposable Blood Pressure Cuffs

works well under pressure

Nova Health Systems, Inc. BabiCuff™ disposable neonatal and infant blood pressure cuffs are designed to provide a high quality affordable product for use in all Nurseries and NICU. The BabiCuff™ offers you an accurate reading in a soft, flexible cuff that's comfortable for the patient. There is no more need for separate cuffs for different monitors - with BabiCuff™ one cuff fits both.

Illustrations are not pictured at actual size. See chart for size ranges
